# Thanks for joining us

- I don't always need legal guidance,

- But when I do, I attend the Louisiana K-12 Law Conference at UL Lafayette

# Goals for the Conference

- 1. When things go wrong -
  - Presence
  - Preparation
  - Process & Procedures
- 2. Need to be able to inform and update your faculty on changes and general issues – Be Proactive
- 3. How do I generalize this content to new situations to avoid litigation?
- 4. Not all bad news for schools. Cases often tell us what we can do, not necessarily what we should or have to do!
